Education:           1975-79            B.A.     English, Boston University  
   B.A.     Medical Sciences, Boston University  
   Boston, MA  
                               1977-79 &  
                               1980-82            M.D.     Boston University School of Medicine  
   Boston, MA  
                               1987.89            American Sign Language Interpreter Training  
   Program, Community College of Philadelphia,  
   Philadelphia, PA

Postgraduate Training and Fellowship Appointments:

1982-85            Residency Training in General Pediatrics, Children's  
   Hospital National Medical Center, and Clinical  
   Instructor of Pediatrics, George Washington University  
   Medical Center, Washington, DC  
 1985.87            Fellowship in Adolescent Medicine and Clinical  
   Instructor, Department of Pediatrics, Mount Sinai  
   Medical Center, New York, NY  
 1987.89            Assistant Instructor of Psychiatry, Hospital of the  
   University of Pennsylvania, Philadelphia, PA  
 1989-91            Fellowship in Child Psychiatry, Philadelphia Child  
   Guidance Clinic, Philadelphia, PA  
 1989-99            Postdoctoral Clinical Associate in Psychoanalysis,  
   Philadelphia Psychoanalytic Society, Philadelphia, PA  
 1990-92            Postdoctoral Trainee in Psychiatry, University of  
   Pennsylvania School of Medicine, Philadelphia, PA

Military Service:

1985-87 U.S. Public Health Service, National Health Service Corps, The Adolescent Center, New York, NY

Faculty Appointments:

1991-92 Adjunct Professor, Department of Counseling, Gallaudet University, Washington, DC  
 1992-2003 Assistant Professor, Department of Psychiatry at The Child Guidance Center of The Children's

## Hospital

of Philadelphia, University of Pennsylvania School of Medicine, Philadelphia, PA  
 1992-2003 Assistant Professor, Department of Pediatrics at Children's Seashore House of the Children's Hospital of Philadelphia, University of Pennsylvania School of Medicine, Philadelphia, PA  
 July 2003-Aug 2006 Associate Professor, Department of Psychiatry at the Children's Hospital of Philadelphia, University of Pennsylvania School of Medicine, Philadelphia, PA  
 July 2003-Aug 2006 Associate Professor, Department of Pediatrics at the Children's Hospital of Philadelphia, University of Pennsylvania School of Medicine, Philadelphia, PA  
 Sept 2006-present Associate Clinical Professor, Department of Psychiatry, University of Pennsylvania School of Medicine, Phila, PA

Hospital and Administrative Appointments:

1992-00 Director of Psychiatry, Children's Seashore House of The Children's Hospital of Philadelphia, Phila, PA  
 1992-Aug 2006 Director, Deafness and Family Communication Center, Child Guidance Center of the Children's Hospital of Philadelphia, Philadelphia, PA  
 1992-Aug 2006 Senior Fellow, Leonard Davis Institute of Health Economics, University of Pennsylvania, Phila, PA  
 1998-2004 Co-Founder and Co-Director, Field Center for Children's Policy, Practice, and Research of the University of Pennsylvania, Philadelphia, PA  
 1990- present Psychiatric Consultant, Pennsylvania School for the Deaf, Philadelphia, PA  
 1995- present Psychiatric Consultant, Lake Drive School, Mountain Lakes, New Jersey  
 1997- present Psychiatric Consultant, HMS School for Children with Cerebral Palsy, Philadelphia, PA  
 2007- 2010 Psychiatric Consultant, Deaf Services Center, Milestones Community Healthcare, Inc., Glenside, PA  
 2010- present Psychiatric Consultant, Philadelphia Children's Alliance, Philadelphia, PA

2011-present      Psychiatric Consultant, Mission Kids, Norriton, PA

Specialty Certification:

1987      American Board of Pediatrics Certification #34986  
 1992      American Board of Psychiatry and Neurology #036470  
  
 1993      American Board of Child/ Adolescent Psychiatry #3360  
 1998      American Board of Psychiatry and Neurology-  
 Specialization in Forensic Psychiatry Certification #668  
 2011      American Board of Psychiatry and Neurology-  
 Specialization in Forensic Psychiatry Certification #668  
 (Recertification valid through 12/31/21)

Licensure:

Pennsylvania — MD 038770-E  
 DEA Regulation Number — BS 1502435  
 National Provider Identification Number- 1689736555

Awards, Honors and Membership in Honorary Societies:

Psychiatric	<p>1988      Mead Johnson Fellowship in Public Psychiatry,          American Psychiatric Association          1989      Annual Laughlin Award for Merit, National          Endowment Fund          1990      Robert Wood Johnson Foundation Clinical Scholar,          University of Pennsylvania School of Medicine,          Philadelphia, PA          1993      Picker/Commonwealth Award, Picker/Commonwealth          Scholars Program          1995      Mary E. Switzer Distinguished Fellow, The National          Institute on Disability and Rehabilitation Research          1996      Miracle Maker Award, Children's Miracle Network          1998      The Balu Althreya, M.D. Teaching Award,          Children's Seashore House, Philadelphia, PA          2000      Deaf and Hard of Hearing Council of Southeastern          Pennsylvania Outstanding Service Award, Philadelphia,          PA          2001      Deaf and Hard of Hearing Council of Southeastern          Pennsylvania Outstanding Service Award, Philadelphia,          PA          2002      Center for Children and Childhood Studies at Rutgers          University, Senior Fellowship Award, Camden, NJ          2003      Deaf and Hard of Hearing Council of Southeastern          Pennsylvania Person of the Year, Philadelphia, PA</p>
-------------	---

Memberships in Professional and Scientific Societies:

National Societies:

American Academy of Child & Adolescent Psychiatry  
American Academy of Psychiatry and the Law  
American Deafness and Rehabilitation Association  
American Psychiatric Association  
American Public Health Association  
National Association for the Deaf  
Alexander Graham Bell Association  
American Society for Deaf Children  
Association of Clinicians for the Underserved

Local Societies:

Philadelphia County Medical Society  
Philadelphia Psychiatric Society  
Regional Council of Child and Adolescent Psychiatry  
Deafness Council of Southeastern Pennsylvania  
Delaware Valley Chapter, American Academy of Psychiatry and the Law  
The College of Physicians of Philadelphia, Section on Medicine, Ethics  
and the Law

Editorial Positions:

Journal of The American Academy of Child and Adolescent Psychiatry  
Journal of the American Medical Association  
Psychiatric Services  
Journal of Deaf Studies and Deaf Education

Academic Committees at the University of Pennsylvania:

Faculty 2000 Working Group on Special Opportunities, 1999-2001  
Workgroup on Faculty Diversity: Gender Related Issues 2002  
Student Disabilities Services Advisory Board, 2002- present  
Education/Planning Committee, Practical Applications in Forensic Psychiatry,  
Department of Psychiatry, 2005-present

Major Teaching and Clinical Responsibilities for the University of Pennsylvania and Affiliated Hospitals:

Children's Seashore House of The Children's Hospital of Philadelphia:

- Serve as psychiatry discipline coordinator for the University Affiliated Program Leadership in Neurodevelopmental Disabilities (1995-2006)
- Direct First Things First, family support program for families with deaf members (1996-2000)
- Provide supervision of clinical services delivered by child and adolescent psychiatry and pediatric residents (1992-2002) and psychology post-doctoral fellows and interns (1992-1999)
- Provide consultation on a contractual basis to county mental health administrators in the development of services for individuals who have a sensory or other developmental disability (1992-2002)
- Coordinate and teach course on public policy and disability for University Affiliated Programs (1995-2006)

- Consult with administration regarding and support the development of new programs, e.g. Regional Autism Center, Communication Center, Adoption Center (1997-2000)
  - Serve as the psychiatrist for the Regional Autism Center (1999-2000)
  - Coordinate and teach the course on neurodevelopment for child psychiatry residents (1992-1999)
  - Serve as psychiatrist for Collaborative Office Rounds, Maternal and Child Health funded program for general pediatricians (1998-2000)
- The Department of Child and Adolescent Psychiatry of The Children's Hospital of Phila.:
- Clinical evaluation, consultation, training and research related to services for deaf children and adolescents (1992-2004)
  - Direct school based mental health clinics at the Pennsylvania School for the Deaf, Sterck State School for the Deaf, Overbrook School for the Blind, Lake Drive School, Home of the Merciful Savior School, and several programs for students who are deaf in the School District of Philadelphia (1992-2004)
  - Provide school-based and school-linked mental health consultation to public schools in the Delaware Valley regarding students with special needs who are mainstreamed (1992-2004)
  - Provide supervision to all staff working with deaf clients, including ongoing consultation with Family Based Mental Health Services for the Deaf (1992-2000)
  - Provide attending coverage for residents on the inpatient and outpatient consultation-liaison service, as well as the emergency room (1992-2004)
  - Supervise adult and child and adolescent psychiatry residents (1992-present)
  - Regularly lecture on a variety of topics for first and second year child and adolescent psychiatry residents (1992-present)

#### The University of Pennsylvania School of Medicine

- Co-found and co-direct the Center for Children's Policy, Practice and Research (1998-2004)
- Co-direct the Hate Crimes Consortium (1997-2000)
- Coordinate and co-teach (six month) course on child and adolescent forensic psychiatry based in the Department of Psychiatry for adult and child psychiatrists, psychologists, and other mental health professionals (1998-2002)
- Participate in teaching (lectures and discussion groups) of Integrated Neurosciences, Integrated Problem-Based Learning Sessions, and Clinical Interviewing for medical students (1992-2002)
- Coordinate and teach a child development/ child and adolescent psychiatry continuing education program for the 25 judges in the Family Court of Philadelphia (2002-2007)
- Coordinate and teach a continuing legal education series for public defenders and judges in the Child Welfare Early Childhood Initiative (2005-2007)
- Provide lectures to fellows in Forensic Psychiatry on topics related to Child and Adolescent Forensic Psychiatry

#### Lectures by Invitation:

1996 "Mental Health Needs and Services for Deaf Children and Their

- Families: Parents' and Teachers' Perspectives" The 18th  
International Congress on the Education of the Deaf, Tel Aviv, Israel  
1996

Grants (only 2001-2006 listed below):

The Van Pelt Foundation (Steinberg (P.I.) 2002- 2006

Improved Decision Making on Behalf of Children and Adolescents in Family Courts

A judicial training program designed to inform judges about relevant child development and psychiatric evidence base to guide best interest decision making.

Pew Charitable Trust (Steinberg (P.I.) 2003-2005

Comprehensive Evaluations and Better Decision Making for Philadelphia's Children

A program of interdisciplinary evaluations for high risk children identified by the court and the child's legal representative designed to inform decisions made on his/her behalf at critical junctures in permanency planning and placement within the child welfare system.

1R01 DC05247- 01A1 (Krantz (P.I) 2002- 2006

National Institute of Deafness & Other Communication Disorders

Outcomes of Genetic Testing for Hearing Impairment

This project assesses parental understanding, beliefs, and attitudes about genetic testing for hearing loss as a means of promoting improved clinical management of families and better-informed decision making.

1R03DC04486 (Li (P.I.) 2002- 2005

National Institute of Deafness and Communication Disorders

Balancing Survival and Cisplatin Ototoxicity

This study examined the surrogate decision making on behalf of the child who has needs chemotherapy but is at risk of hearing loss using a time tradeoff model.

1R03DC04486 (Steinberg (P.I.) 2001-2005

National Institute of Deafness and Communication Disorders

Building a Comprehensive Hearing Loss Site in Cyberspace

The goal of this project is to develop a website for information dissemination regarding intervention decisions for parents whose child is identified as deaf and to result in increased information access/improved decision making

1 R01 HG02189-02, (Sankar (P.I.) 2000-2003

National Institute of Health- Ethical, Legal, Social Implications of the Human Genome Project  
Understanding Difference: Genetics and Social Identity

The goals of this project included the determination of the factors people use in interpreting and understanding genetic conditions and an investigation of how these factors contribute to stigmatization.

DHHS/Regional Office of Women's Health- (Steinberg (P.I.) 2001-2002

Health Education and Awareness Program: Preventive Health for Deaf Girls and Women

Preventive health information campaign for Deaf girls and women in the Eastern Pennsylvania region.
